## Fixing up the play structure

**T**his coming November, we have a very important project to work on. Fixing up the play structure will be the first of many Servant Something projects. Call it mission, call it doing something for others, call it doing God's work. Whatever helps you arrive at the church on November 21 at 9:00 a.m. We have big plans. We have noted some problems with the play structure and plan to fix those including replacing the baby swings, rope ladder, and the steering wheel. The biggest part of this plan though is to construct and install some benches inside the fence area. Hopefully all the

improvements we make will help provide a nice place for families to gather and share in fellowship.

**T**o help us with this huge task, we have asked some members of the church to guide us in making the benches.

**W**hat does this all mean for you? We need you! We need as many people as we can get to help with this project. Come and help us. You'll have a great time.

## SUNDAY, SUNDAY, SUNDAY

Is anyone reading this? Sunday school is on Sunday, duh, 9:30 a.m. to 10:15 a.m. If it's Sunday, then Sunday school is a must. We're still using the Nooma stuff. It's interesting and provocative. So come on. Get up and get to church.

## Growing in Grace

Every Thursday night, the youth and children of Immanuel gather at the church to do homework, eat dinner, sing, and learn a little about God. We can always use tutors to help the children with their homework. Come to one or more parts of the evening. We hope you will think about it.

Currently, we are beginning to make puppets for a future program. These are not your run of the mill puppets. They're big! Daresay you will have fun with this project.

## Lock-In

The weekend of December 19-20 will be a busy time for the youth group. Starting at 5:00 p.m., we will gather at the church for a great time that will include making Christmas cookies. We'll package up those cookies to be sold the following day. We'll then spend the night at this church. The following morning, we will sell the cookies and plan to participate in the 10:30 worship service.

“When you talk, do not say harmful things. But say what people need, words that will help others become strong.”

We now have a Youth Group Committee in place. If you would like to contribute to the committee, please let us know.
